

# ABOUT COLLIDE CONFERENCE

*Partner with us as we create a space where heaven and earth collide!*

## ***What is Collide Conference?***

Collide Conference is a multi-church young adults conference in Winnipeg, Manitoba that exists to create an atmosphere where young adults make space for God to move in their lives. Collide is a two day, high-energy event filled with passionate worship, creative moments, and features premiere communicators from all over the world.

## ***Our Vision For Our Partners***

It is our hope that the partners of Collide Conference would have a world class experience while at the conference and that their cause would be promoted to its **full** potential. It is our vision that our partners would think outside the box to promote their organization in creative and unique ways in order to call this generation to something greater.

## ***Who attends Collide Conference?***

Collide is a young adult movement of individuals in their 20s and 30s who want to gather in community to experience Jesus together. This is our third year of hosting Collide Conference and we are anticipating 1,500+ young adults to be joining us, along with pastors, leaders and volunteers!
